# RES MAY UPDATE

Reach Every Student

## Message from Admin:

*Dear Parents and Guardians,*

*We hope this message finds you and your family in good health and high spirits. As we are quickly now able to enjoy the fun and freedom of the warmer weather we wanted to take a moment to discuss school safety.*

*At RES ensuring the safety and well-being of our students is extremely important to us. We understand that sending your children to school requires a great deal of trust on your part, and we take that responsibility very seriously. We want you to feel confident that we are doing everything we can to maintain a safe and secure learning environment for all students.*

*To that end, our school has a number of safety measures and protocols in place including:*

- *Regular drills to prepare students and staff for emergency situations*
- *Visitor policies to ensure those entering our school are authorized to do so*
- *Active supervision during all school activities both inside and outside the building*
- *Supervised safety patrol program for major crosswalks before and after school*
- *Safety plans for emergencies*
- *A clear chain of communication with our staff and parents to quickly share important safety information and updates.*

*We want to assure you that we are committed to providing a safe and nurturing learning environment for all students. Thank you for your trust and partnership as we work together to keep our school community safe.*

*RES Admin*
