# RES FEBRUARY UPDATE

## Cultivating Kindness – The COMETS Way

Dear Raymond Elementary Families,

At Raymond Elementary School, kindness is at the heart of everything we do. As we continue to build a strong, supportive school community, we encourage our students to show kindness in their words, actions, and daily interactions—both at school and beyond.

Kindness connects deeply with our COMETS values:

- **Curiosity** – Encouraging students to learn about others and show empathy.
- **Ownership** – Taking responsibility for treating others with kindness and respect.
- **Mindfulness** – Being aware of how words and actions affect those around us.
- **Empowerment** – Understanding that even small acts of kindness can make a big difference.
- **Tenacity** – Choosing kindness, even when it's difficult or when facing challenges.
- **Safety** – Creating a welcoming, inclusive environment where everyone feels valued.

Whether it's inviting a friend to join a game, using kind words, helping someone in need, or simply sharing a smile, we want our COMETS to shine through their actions.

We encourage families to continue these conversations at home—talk about what kindness looks like, recognize kind moments, and model caring behavior. Together, we can build a culture where kindness is not just something we do but a part of who we are.

Thank you for your partnership in helping our students grow into compassionate, kind-hearted individuals.

At Raymond Elementary, COMETS shine brightest when we lift each other up!
