Hello RES Families!

Time to Register for 2025/26!

Registration for next school year is **now open**, and **every** returning student **must** be registered!

RES is an amazing place to learn, thanks to our fantastic students, supportive families, and dedicated staff. To help us plan for another great year, we need to know who's coming back—so we're adding a little extra incentive to register early!

Class lists are built based on the registrations we receive. If you don't register, we'll assume your child isn't returning, and they **won't** be placed on a class list. Let's be real—nobody wants that!

Register Early for a Chance to Win!

✓ Submit your registration by **March 31** for a chance to **win FREE school fees for one student** next year!

✓ Be one of the **first 100** families to register and get **5 extra entries**—because early birds deserve extra chances to win!

 **One entry per family**, so make sure **all** of your RES students are registered before you qualify for the draw!

And let's be honest—getting your registration done now means **avoiding the office's "friendly" reminders** (a.k.a. persistent emails and calls). Totally worth it!

Need help? Call the office—we're happy to assist!

Let's get those registrations in and set our students up for an amazing year!
